

As you may be aware the data protection laws in Europe changed on 25/05/2018. Cobra Engineering (UK) Ltd are committed to keeping all customer and supplier data safe at all times.

Cobra Engineering (UK) Ltd ask for our customer's consent to hold information on their company for both sales and purchasing purposes.

Customer information will never be passed to a third party without your prior consent.

If customers do not wish for their details to be held on file or their current contact information is incorrect please contact Cobra (UK) Engineering.

Many thanks,
Cobra Engineering (UK) Ltd
